The Outdoor Education Camp is always an exciting and enjoyable experience. All activities are on site. The camp itself is clean, comfortable and extremely well run. The activities are all focused on challenging yourself. The activities include things such as high ropes, giant swings, canoeing, flying foxes and the famous mud world.

There will be more notes to come throughout the year, including medical forms, more detailed information regarding what to bring, departure and arrival times, parent helpers etc.

For the moment, all that is required is for you to complete the attached note and return it and the deposit of \$55 to the office on or before Monday 26 March or alternatively the note stating that your child will not be attending camp.

If for any reason, you feel that your child cannot go to camp due to financial hardship, please contact school and arrange a meeting with Mr Lockey to discuss possible solutions.
