Money Ready

Dear parents, carers and friends of our school,

I am looking forward to seeing our students dressed like a farmer today. Thank you Miss Hamilton for your organisation and coordination of today's events. I am sure the students at Peak Hill Central School will enjoy the end of year activity that is able to be held with the money raised today.

NEWCASTLE PERMANENT MATHS AWARDS

This Friday morning during our regular morning assembly we will try again to hand out all the certificates for our students from the Newcastle Permanent Maths Competition. You are welcome to come and join us in congratulating the students on their efforts.

SOUTH PLAYGROUND EQUIPMENT

Last week I was notified that a grant application we had put in to secure some funding to purchase a new set of playground equipment for the South Playground had been successful. You may have noticed that one set of our equipment out there has been roped off as it was starting to rust and become unsafe for our students. Shortly I will be talking with our students and looking at designs that they may prefer to see out there. I will also be working with our P&C on this project. If you would like to look at the options and have a say please come along to our P&C meeting.

CHICKENS

Over the last week there have been several chickens hatch in each incubator. I am getting regular excited updates from both our students and our staff. I'm sure our Stage 1 families are being kept up to date with the progress as well.

RESPONSIBLE PET OWNERSHIP

On the topic of animals, we will also have a visit from another type of animal this week. On Thursday 29th November the RSPCA will be bringing along a dog for a program to teach our Kindergarten and Stage 1 students about being responsible pet owners. Although the dog will come in a carry case and is very friendly and well trained, if your child is anxious around dogs please let your child's teacher know prior to Thursday.

NUF NUF

This Friday we have our final NUF NUF day for 2018. It will be great to have all of the students involved in this fun activity. If you would like your child involved please ensure you send in the \$3 as soon as possible. It would be wonderful to have all of the payments in by Wednesday as it can tend to get very busy at the end of the week if a lot of students are trying to pay.

PARENT FORUM

On Monday the 10th December we will be having our parent forum. This is a chance for us to talk with families and review 2018 as well as discuss our planning for 2019. We would like your thoughts and ideas on topics such as homework, our strategies for dealing with behaviour concerns, our school plan for 2019. It is also your chance to raise questions and talk about ideas for our school to continually improve what we are doing.

The parent forum will be held after school at 3:30pm. Please RSVP to our school office.

ENROLMENTS AND CLASSES FOR 2019

Each year careful consideration is undertaken by all of our staff members in the formation of our classes for the following year. There are many factors we take into consideration. One of those factors is parental requests. As we will begin the process in the second half of this term if you have a request you would like us to consider could you please notify me in writing by Friday 30th November. All requests will be considered but are not guaranteed.

TOMAREE HIGH SCHOOL TOUR AND PARENT INFORMATION EVENING

Next Monday afternoon Year 6 families are invited to a tour of Tomaree High School at 5:30pm followed by an information evening at 6:15pm. This will be an excellent opportunity to become familiar with the school grounds as well as finding out some important information in readiness for your child's attendance there next year. If you have a child attending THS next year I strongly recommend you attend this event.

IMPORTANT INFORMATION FOR FAMILIES

Even if you are NOT changing your child's booked days in 2019, you still need to go onto the 'My Family Lounge' on your computer and update your details in the system. This needs to be done to finalise your child's enrolment for 2019 and allow us to print out the compliance required copy.

The YMCA helps get children off to a great start each day by providing a delicious, nutritious breakfast and a range of fun activities from as a little as \$4.70! (Minimum fee is subject to applicable government rebates).

Activities may change daily due to weather conditions and children's choice.
