### From Narelle's Desk ...

#### Dear parents, carers and friends of our school

We hope that everyone has had an enjoyable long weekend. Now we are back to work for the rest of this short and busy term.

Congratulations to our school Netball team on their convincing win against Salt Ash PS last Tuesday. They will play Anna Bay PS in the next round of the PSSA Netball Competition. Thank you to Mrs White (team manager and coach) and all parents who assisted with transport.

All teachers are busily finalising assessment data and preparing written Semester One Reports to go home in Week 9 of this term. Student reports provide students, parents and caregivers with information on student achievement. They provide parents with clear, comprehensive and consistent information about your child's progress, as well as suggestions on how you can best support your child with their learning.

At Shoal Bay Public School we are very fortunate to have such a lovely, green and welcoming school environment. During the school day and after school (YMCA OOSH) we often see the children playing, running and making the most of the space that we have at school. It's lovely to see parents/carers and community members taking the opportunity to walk to/from school with their family, including their pet dog and/or taking their pet dog for a walk past the school. For those who do bring their pet to drop off and pick up, would you please ensure that your dog stays **OUTSIDE** of the school grounds, for the health and safety of our students and staff, **EVEN IF IT IS A "VERY FRIENDLY DOG"**. Entering school grounds out of school hours with the family pet is also not allowed. Further, the NSW Companion Animals Act

#### DID YOU KNOW?

Under the Companion Animals Act 1998 No 87

(14.1.e), dogs are prohibited in school grounds (whether or not they are leashed or otherwise controlled). For the safety of all students and staff, please do

not bring dogs into the school grounds, even on leashes. Thank you for your support in this matter.

Please see the information attached regarding the Interrelate family relationships programs for Years 5 and 6 in Week of Term 3 and the **EXPRESSION OF INTEREST** for "Family Evening Program" for families of children in Years 3 – 6.

#### Kindergarten Enrolments 2105

Please complete the form attached and return it to school and/ or pass this information on to family and friends who have children who are eligible to start school in 2015.

## Mufti Day

This Friday, 13 June, the school will be holding a mufti day to recognise the beginning of the world cup. Australia's Socceroos will play their first game Saturday morning and so we thought we would get into the spirit of 'the world game'. The children can wear either their favourite soccer shirt or jacket or simply green and gold to support Australia. Year 6 will collect a gold coin donation from children in mufti to go towards their farewell and a gift to the school.

## LOST

If you have lost a size 5 black velvet jacket please come to the office to collect it. It was found in the kids playground!

SunSmart Snippet

The simplest way

to get your vitamin D!

**Did you know?**

- Our bodies make vitamin D when skin is exposed to sunlight.
- We need vitamin D as well as calcium to maintain good health, in particular to keep our bones and muscles strong and healthy.
- Always use sun protection when UV levels are 3 and above.

**Does sunscreen stop vitamin D?**

- Sunscreen filters out most but not all UV radiation.
- People who use sunscreen regularly when UV levels are 3 and above, don't have lower vitamin D levels than people who do not use sunscreen.
