From Narelle's Desk ...

Dear parents, carers and friends of our school,

Tomaree Music Festival

Final rehearsals are underway for the Music Festival today and tomorrow. The performances will take place on Wednesday and Thursday evenings. I am sure that there will be many tired children (and teachers) by the end of the week.

Life Education Van

Hunter Life Education will be presenting their program at Shoal Bay PS from Tuesday 2 September to the following Tuesday 9 September. All classes will be able to participate in age-specific programs in state-of-the-art Mobile and Static Classrooms using an approach that focuses on the individual, inter-personal relationships and the community. Their iconic mascot, Healthy Harold the giraffe, will help to create a fun and memorable environment. Hunter Life Education is fully funded by community support from organisations and businesses. This support enables them to keep costs for our students and families to a minimum. We would like to thank Port Stephens Council for supporting Hunter Life Education so that our students can visit with Healthy Harold and the Hunter Life Education team. Life Education supports us in teaching children what they need to know to make smart choices and develop healthy habits that last a lifetime.

Book Week Parade Postponement

Due to the inclement weather we have been experiencing lately it was decided to postpone our Book Week Parade and assembly until the last day of Term 3 (Friday 19 September). We apologise for any inconvenience.

Fun Run Winners

P & C volunteers have been busily sorting and distributing prizes to lucky students who collected sponsorship and donated this to the P & C as part of the Adidas Fun Run held earlier this term. Thank you to everyone for their contribution towards making this event a success.

Rugby Champion

Last week Freeman from 6B represented the Hunter Zone at the NSW PSSA Rugby Union Championships. Freeman reported that although his team came 9th in the state he had a great time and learnt a lot from this experience. Congratulations, Freeman.

Touch Football

Maddi from 5/6H went to a state touch competition last week and their team came third in the state. Well done. We have some amazing talent in our school.

From the Library

To all of the Parents, Teachers, Students and Everyone who supported our Book Fair last week, Thank you!!

We sold lots of books and merchandise and will have a tidy sum to spend on resources for the school. Exact amounts have not been finalised yet but I will let you know as soon as they are. Thank you too, for your patience with the dress up parade! Postponing it ensured a lovely sunny day for Friday and also allows me to have a book term rather than just a week... keep those dress up costumes ready for the last day of term when we will all be more than ready to celebrate the end of a very busy time at Shoal Bay School. Remember the dress up competition is still open until 12 September, check the link below for details and take a photo of your costume and send a photo in to:
