Parent Teacher Interviews

This year our Parent/Teacher interviews will be held in Week 10 and Week 11 of Term 1. (Monday 27 March – Friday 7 April)

From Kylie's Desk ...

You will shortly receive letters from your child's teacher indicating times that he/she will be available for interviews with you to discuss the year so far and set goals for your child for the remainder of the year.

Congratulations Zion

On 7-8 March Zion participated in the Hunter Boys in Dance Workshops at the Hunter School of Performing Arts. He participated in various workshops on the first day. These workshops included jazz, hip hop, funk & contemporary. On Day 2 he was involved in the performance of a 'concert' using the dance moves he had learnt.

Congratulations Zion for being selected to be involved in this great program. He is certainly demonstrating 'Excellence Through Effort'.

Cross Country Practice

Our cross Country and Athletics carnivals are fast approaching. This week all of our students will be preparing for the cross country carnival as part of the PE program. We will be running around the school each morning at 11am.

Notes went out last week about the two events. Please check your child's bag if you have not yet seen these notes. They are also sent to our School eNews app and are on the website.

AECG Meeting

On Wednesday afternoon Miss Day and I are heading off to this month's AECG meeting. At these meetings we discuss local events and what is happening in each school. The AECG committee is always keen to have community members involved. If you are interested please let me know.

Ride2School Day

This Friday it is Ride2School Day. It is a great opportunity to get out with your children and enjoy some exercise on your way to school. It is also a great opportunity to discuss how to ride safely around our community.

Harmony Day

Harmony Day is coming up next week. Miss Grace is busy getting all the preparations underway. Keep an eye out for more information throughout this week as she has some exciting things planned for our students.

PBL

Our 3 core values are **RESPECT, RESPONSIBILITY and EXCELLENCE.**

This week our lessons will involve learning about being responsible and taking responsibility for our actions. The main focus will be on making good choices.

Each week our teachers and support staff talk with many students who know they should have made a better choice and they are learning to articulate what choice they should have made. The challenge is making the right choice when it needs to be made.

Canteen News

Thank you to volunteers Suzanne L, Sam, Sheila, Ellen, Peg, Fran and Duncan for your help over the last week in the school canteen. Your help is greatly appreciated.

Please ensure lunch orders are in by 9.10am each day.

We need volunteers each week on Wednesdays and Fridays. Even if you only have an hour to spare. Please see me at the canteen.

Belinda Lavers, Canteen Manager

Garden Club

We will be having our first Plant and Produce stall this Thursday morning before the bell. All money raised will go towards buying seedlings.

Regards Ms Stenhouse.

Sienna

Hi, I'm Sienna and I am one of your Parliamentarians for this year. I am the stage one link, which means if any of the kids in stage one need any assistance they can come and see me. Archie and I also help Mr Crowley with the leadership program to check if year 5 children are doing their duties. I will strive to be a good parliamentarian and I will show the three school values of Respect, Responsibility and Excellence. I look forward to doing all I can, not just for stage one but anyone who may need my help.
