Auntie Peach show	\$8	9 Aug
Kinder Excursion	\$28	28 Aug

Dear parents, carers and friends of our school,

WELCOME BACK

From Kylie's Desk ...

Yesterday our staff all returned to school and we spent our Staff Development Day engaged in a wide variety of activities including information and update on autism, asthma training, preparation for our external validation, organisation of Positive Behaviour for Learning (PBL) programs and lessons as well as having time to work collaboratively with our stage teams to make further preparations for our students this term.

This semester we are starting with our NAIDOC celebrations. All of our students are busy today learning about our Aboriginal and Torres Strait Islander cultures and participating in some interesting, fun and engaging activities. Staff from Murrook Cultural Centre are working with our staff and students.

We welcome several new families to our school this term. We hope you enjoy your time at Shoal Bay Public School.

EDUCATION WEEK

This year Education Week is being held in Week 3 (31st July – 4th August). The theme for Education Week is "I learn, we learn". During this week there will be a special presentation evening held at the Tomaree High School MPC. More information will come home shortly.

DANCE 2BFIT

Our Dance 2Bfit program begins today. The theme for our program is 'A night at the museum'. Each class will be learning a dance to be performed as a part of an end of term concert for our parents and carers. We would like all students involved in this program so as they can learn next dance skills and enjoy being a part of the concert. Payments can still be made at the school office. Families only pay for the first 2 children, other siblings are free to attend.

P&C UPDATE

Due to unforeseen circumstances our P&C is currently without a Treasurer. I would like to thank our retiring treasurer for her hard work in this role during Semester 1.

Without a P&C Treasurer our P&C will fold. Currently they are responsible for the running of our school canteen. So, we need someone to volunteer to take on this role asap.

If you are interested or know someone else who may be please come and speak to myself or to Nadine, our P&C President.

KINDERGARTEN 2018

This term we will begin our formal orientation to school program for the students coming to Kindergarten at Shoal Bay PS in 2018. If you have not yet put in your enrolment application please visit our school office. A map of our school enrolment zone is displayed in our school foyer and is also attached with the intention to enrol forms in these Snippets.

Our first orientation day will be Thursday 7th September at 2pm. Students will visit the classrooms and engage in some fun learning activities whilst parents meet in the school library.

MINDFULNESS MINUTE

Did you try last week's idea with your family? We would love to hear how it went.

This week's idea:

Go on a sound exploration: Imagine setting a dramatic scene with your children that you are great sound explorers and going on a mission to notice as many sounds as you can. Quietly keep track of the sounds by drawing or writing the sounds (during or after). For contrast, try this with eyes open and later with eyes closed.

From Kylie's Desk cont

WOOLWORTHS EARN AND LEARN

This program begins again next Wednesday. We would really appreciate it if you could collect the stickers and drop them into the box in our front office.

PBL

Over the last five weeks our PBL lessons have focussed on respectful behaviour in our school playground.

This week we are focusing on reminding our students of our three core values: RESPECT, RESPONSIBILITY AND EXCELLENCE.

Canteen News

Welcome back all students, teachers/staff to Term 3.

Thank you to volunteers Annette, Lin, Heather, Sheila and Fran for your help during the last week of Term 2 in the canteen. Your help is greatly appreciated.

A very big special thank you to Nadine, Rochelle, Emma, Bec, Heather and Sheila for all your help on Treat Day (State of Origin Hot Dog day). Thank you for all your hard work and for all your time which made the day a great success!

If you would like to volunteer to help in the canteen this term (even just for an hour), please come and see me at the canteen to be placed on the roster.

Please ensure lunch orders are in by 9.10am each morning and don't forget to write your name on your lunch order.

School travel update

Application information - June 2017

Information for parents, guardians and students

Our school has partnered with Transport for NSW to use the new online School Portal for endorsing school travel applications.

You are now able to manage all your school travel needs online including applying for school travel passes and tracking the status of your application.

The application process has also been simplified so that a new or updated application for school travel passes is only needed when a student is:

- applying for a school travel pass for the first time
- requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).
- changing school or campus
- changing home address
- receiving an expiry notification
- repeating a school year
- changing their name
- requesting a new transport operator.

This means students who are progressing to year 3 and year 7 only need to reapply if they are changing circumstances.

Students who are not residents and are temporarily in Australia can also provide their visa subclass number and exchange program (if prompted) when applying online, making the application and approval process much faster.

Parents, guardians and students can apply or update their details online at:

www.transportnsw.info/school-students

If you do not have access to the internet contact 131 500 for assistance.

The simplest way

...to help prevent bowel cancer.

The month of June is Bowel Cancer Awareness Month, an annual initiative of Bowel Cancer Australia to raise public awareness of the disease that claims the lives of 80 Australians every week.

Boosting the amount of fruit and veg the family eats is one way you can help reduce your risk. You should aim for at least five serves of veg and two serves of fruit every day.

Quick and easy tips include adding fruit or veg to your breakfast, swapping a muesli bar for a piece of fruit, mixing fruit or veg into your baking or adding mixed veggies to your favourite family dinner.

Girls Soccer Team at their game last term

Positive Behaviour for Learning (PBL)

At Shoal Bay Public School we demonstrate our PBL Values: RESPECT, RESPONSIBILITY and EXCELLENCE in all settings

Respect

Shoal Bay students respect themselves, others and the environment.

Be caring

Be cooperative

Be polite

RESPECT

Respect involves everyone being polite and respectful to each other, their belongings and the environment.

Responsibility

Shoal Bay students are safe and responsible in all their actions.

Be safe

Make good choices

Own your own actions

RESPONSIBILITY

Responsibility involves being a dependable and reliable person that is committed to keeping themselves safe, following through their obligations and taking responsibility for their actions.

Excellence

Shoal Bay students strive to do their personal best.

Be prepared

Be involved

Be your best

EXCELLENCE

Excellence involves everyone being active learners who are prepared for learning and strive to achieve their personal best.
