### Dear parents, carers and friends of our school,

It has been a real pleasure to watch the way our students have welcomed new children into our school over the last two weeks. They have certainly shown our school values. By now all students have been in their new class for a week. Starting a new class can be challenging for some children as they make new friends and learn about how their new class will work together, along with the new routines. The teachers at Shoal Bay PS have certainly enjoyed getting to know their new students and have been working hard to ensure everyone is settling in well.

### PARENT INFORMATION SESSION AND WELCOME BBQ

This year we will be having our welcome BBQ on MONDAY 19<sup>th</sup> February. The teachers will present a short information session followed by a welcome BBQ for all of our families.

Information sessions:

- Kindergarten 4.30-5pm
- Stage 1 4.45-5pm
- Stage 2 5-5.15pm
- Stage 3 5.15-5.30pm

The welcome BBQ will be an opportunity for you to talk with your child's class teacher between 5-6pm. This will be followed by a P&C meeting at 6pm.

### P&C MEETING

A P&C Meeting will be held in the school library following the parent welcome BBQ. It would be wonderful to see as many people there as possible. Coming along to a P&C meeting does not mean you will have a lot to do. Your thoughts, ideas and suggestions on the topics we discuss are very welcome. It is a great way to find out what is happening in your child's school and to ask questions. At the meeting we will discuss:

- \*Uniforms ~ follow up from last year's survey
- \*Canteen ~ our school canteen is run by the P&C, without a P&C we may not have a school canteen
- \*South Playground update
- \*Fundraising ideas

### PAYMENTS IN TERM 1

This year our school contribution remains at \$70. This money enables us to provide much needed resources for your children in the classrooms as well as their Athletics subscription. School contributions can be paid in smaller instalments. All payments can be made online using the POP payment system or at our school office. Please look for the link for POP payments on our school website. It says Make a Payment on the home page.

### SWIMMING CARNIVAL

Yesterday we had our annual swimming carnival. It was a great success. All the children were so well behaved, staff organising and coordinating children did an amazing job. Thank you so much for the parent helpers who volunteered their time today. Without your help things wouldn't run so smoothly.

### PARKING AROUND THE SCHOOL

Please read the parking signs carefully around our school. The signs and restrictions on parking are to ensure the traffic flows as smooth as possible around the school at peak times and also to ensure our students are able to arrive at school safely. Parking officers do patrol this area regularly. Next to the front gate there is a sign that explains what the parking signs are indicating.

### SCHOOL CARPARK

Our school carpark is not a safe place for parents and children to enter and exit our school. We have noticed this year an increased number of families using it as their entry and exit point from the school. Please consider that cars and delivery vans regularly enter and exit this carpark throughout the day and several staff arrive and leave at the same time as your children.

**PLEASE** use our footpaths and gate each day to ensure the safety of both yourself and your children.

### PBL

Our 3 core values are **RESPECT**, **RESPONSIBILITY** and **EXCELLENCE**.

## Canteen News

Thank you to volunteers Michelle, Sally, Nikki, Rebecca, Miki, Fran and Zoe for your help over the last week in the School Canteen. Your help is greatly appreciated! We are looking for more volunteers to help in our canteen. Even if it's just for an hour or two. Please see me at the canteen to let me know when you can help.

Please note that lunch orders need to be in by 9.10am each morning. Don't forget to write your name and class on your lunch order.

Canteen Manager

## Sports for Schools : Coles

For every \$10 you spend at Coles, you will get a voucher that you can deposit into our box in reception.

## CYBERSAFETY

Stage 2 and 3 participated in an interactive webinar with many other NSW schools in the hall on Wednesday. Students could discuss topics such as the safe use of the internet, cyber bullying and many aspects that the students could relate to our own PBL values. Have a talk to your child about what they discussed and learnt.
