PBL

Our 3 core values are **RESPECT**,
RESPONSIBILITY and
EXCELLENCE.
This week we are focussing on
Responsibility: Be On Time

Dear parents, carers and friends of our school,

Today we have the Manly School Band visiting our school as part of their tour around the area. I hope they inspire some of our students to learn a musical instrument. Each week Mrs White works with our small school band and they have their lessons with Bianca. I am looking forward to hearing them perform for us in Term 4.

NUF NUF DAY

This Thursday we will be having our regular NUF NUF day. Please note that this term the final date for payment is Wednesday 19th September. Children usually hand their money into the office on the morning of NUF NUF. Due to changes with our financial system we need to be able to collect the NUF NUF money prior to the day. Sorry for any inconvenience.

CREATIVE ARTS CAMP

On October 15th and 16th our Stage 2 and Stage 3 students have been given a fabulous opportunity to attend a Creative Arts Camp in Manly. There are limited places available. Children must be very keen to explore and learn more about visual arts. It will be the responsibility of parents or carers to get their child to the studio each day (many parents stay in accommodation in Sydney). The camp is two school days and the students produce two amazing pieces of art that they keep. The cost of the camp is \$199. If you are interested, can you please contact Mrs Cains at the school this week.

ALLERGIES

At Shoal Bay PS we have several children who are allergic to a variety of food items. In particular we have several children who are allergic to nuts. We would appreciate it if you could talk with your children about not sharing food and about the allergies that some of their friends or classmates may have. We would also greatly appreciate it if you could take this into consideration when deciding what to pack your child for lunch and recess each day. Thank you.

TELL THEM FROM ME

Have you completed the survey yet? Many of our Year 4, 5 and 6 students have.

Each year our school participates in the Tell Them From Me survey. We ask students, families and staff members to answer a series of questions about our school. This information is then used to guide our decisions and strategies for the following year. We use the information to evaluate what we are doing as a school. Please take a few minutes to complete this survey for us. Last year we only had a very small number of parents who completed the survey.

SPORT NEWS

Rugby

Congratulations to Jed for representing the state at Coffs Harbour for Rugby Union. Jed was vice captain of the team and they came 9th in the state! Well done.

Gymnastics

Next term Kindergarten, Year 1 and Year 2 students will be participating in a gymnastic program similar to the one that the Stage 2 and 3 students have just completed. The older students have really participated well in the program each week and their skills have certainly developed. I am sure the program will also be a wonderful opportunity for our younger students. Please keep an eye out for the notes which will be coming home.

Special Presentation

On Thursday, at the morning assembly, the school's P&C will be making a special presentation to all of our students who have managed to reach state level competition in their sporting area this year. This presentation is to support them in their achievement.

GRANDPARENT'S DAY - SAVE THE DATE

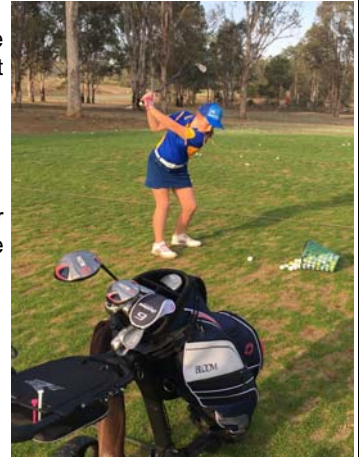

On Friday 26th October we will once again be having our annual Grandparent's Day at Shoal Bay PS. Last year it was a fabulous day with lots of happy students. More information will be coming out shortly but please save the date. We'd love to see you there.
