Dear parents, carers and friends of our school,

Our Presentation Day Assembly is coming up in Week 8. It is a little earlier this year. We will be holding it at school on Wednesday December 5th.

STAGE 3 CAMP

Stage 3 teachers had a great time with the kids. They were all well behaved and the kids had lots of fun. Thanks to Mrs Bzadough for organising.

NEWCASTLE PERMANENT MATHS AWARDS

This Friday morning during our regular morning assembly we will be handing out all the certificates for our students from the Newcastle Permanent Maths Competition. You are welcome to come and join us in congratulating the students on their efforts.

FUNDRAISER FOR PEAK HILL PRIMARY SCHOOL

On Monday 26th November we will be holding a fundraising day for Peak Hill Primary School (PHPS). PHPS is a central school located in a country community in Western NSW, out past Dubbo. This community is currently experiencing severe drought. Miss Hamilton has been talking with the school's Principal to see how our school can support their school. Together they decided that a fundraiser could be held at our school with the money that is raised going towards giving the PHPS students a fun end of year school event.

On Monday 26th November students are invited to come dressed as a farmer and making a gold coin donation that will be sent to Peak Hill PS. We will also be holding a BBQ lunch and a cake stall at recess.

CHICKENS

Today the Stage 1 students will receive their eggs and incubator set up. Over the next few weeks they will watch as these eggs hatch and our chicks grow and change. They are very excited and looking forward to this experience. Thanks to all the parents who paid for this.

RESPONSIBLE PET OWNERSHIP

On the topic of animals, we will also have a visit from another type of animal shortly. On the 29th November the RSPCA will be bringing along a dog for a program to teach our Kindergarten and Stage 1 students about being responsible pet owners.

STUDENTS ARRIVAL AT SCHOOL

Each morning we have a growing number of students who are arriving at school early. I would like to remind everyone that a staff member is not on duty to supervise children prior to 8:40am each morning. If you need to drop your child at school prior to this please consider contacting our YMCA and organising before school care. The children who attend love the morning program at YMCA and enjoy a great start to the day.

Last week we had a number of children arriving at school at 8:25am on their push bikes. The children then had to wait 15 minutes before being supervised. There are other students being dropped off even earlier than this and waiting up to a half hour without full supervision.

ENROLMENTS AND CLASSES FOR 2019

Each year careful consideration is undertaken by all of our staff members in the formation of our classes for the following year. There are many factors we take into consideration. One of those factors is parental requests. As we will begin the process in the second half of this term if you have a request you would like us to consider could you please notify me in writing by Friday 30th November. All requests will be considered but are not guaranteed.

Parent Forum

On Monday, 10th December we will be having our parent forum. This is a chance for us to talk with families and review 2018 as well as discuss our planning for 2019. We would like your thoughts and ideas on topics such as homework, our strategies for dealing with behaviour concerns, our school plan for 2019. It is also your chance to raise questions and talk about ideas for our school to continually improve what we are doing. The parent forum will be held after school at 3.30pm. An invitation will be sent home shortly. Please RSVP to our school office.
