Students will be asked to give them directly to the photographer. They will be here to take orders also.

We would love if you haven't already notified your family and to encourage grandparents to come along to our Grandparent's Day celebration Friday 1 November. Please make sure you read the flyer in this edition of the Snippets for more details. It is going to be a great day and we'd love to see you there.

Bus Travel

Applications for student travel in 2020 opened on Friday, 11 October 2019. Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.
