## Dear parents, carers and friends of our school,

Welcome back for Term 2, 2019. I hope you have had a nice, relaxing Easter with your family. Today our staff are preparing for the term ahead with a series of meetings and activities.

## ANZAC Day

Thank you to all the students who proudly represented Shoal Bay Public School at this year's ANZAC Day March and Service in Nelson Bay. The staff and I were very proud to march with you and some of you family members.

At the ceremony our Parliamentarians laid a wreath and we were fortunate to receive the gift of books from some organisations.

## NAPLAN TESTS 2019 - Monday May 13<sup>th</sup> until Friday May 24<sup>th</sup>

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. This year we are transitioning to the NAPLAN Online assessment.

NAPLAN is made up of tests in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. NAPLAN assesses skills in Literacy and Numeracy that are developed over time throughout the school.

NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in Literacy and Numeracy skills against national standards for all Australian children. All students are encouraged to participate in the tests. An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may wish to use these results to discuss their child's progress with the class teacher.

Additional information for parents about the National Assessment Program can be found on this website: <https://www.nap.edu.au/naplan/parent-carer-support>
