Canteen News

Flexischools (online ordering system) is coming to the Shoal Bay Shack! It will be up and running really soon but in the meantime you are able to download the app on your device, add your child/children and select Shoal Bay PS. We will be offering some information sessions for parents in the coming weeks for anyone who feels they need a little bit of help figuring out how to use the new system. Keep an eye on Snippets for further information.

In other news - the Spaghetti Bolognese bowl is back on the menu due to popular demand! If anyone is able to offer some of their time to help out in the canteen please come and see Courtney. It's getting super busy in the canteen now with the new menu and Courtney would really appreciate some more helpers. Thank you to all of the wonderful people who already volunteer their time – it is much appreciated.

Pre-Loved Uniform Shop

The Pre-loved Uniform Shop will be open on Tuesday 21st May from 2:45 to 3:30 pm. Money raised by the Pre-loved Uniform Shop will be used by the P&C to purchase items needed for students representing the school (such as team jerseys, blazers etc). The uniform shop gratefully accepts donations. If you have any old uniforms that you would like to donate, please leave them at the front office.

Every effort will be made to return lost property that is labelled with the owner's name but unlabelled items that can't be returned will be sold through the Pre-loved Uniform Shop. Please make sure that all of your children's clothes are clearly labelled. Names often become illegible after repeated washes so it pays to check that they can still be read.

WHAT ARE FUNDAMENTAL MOVEMENT SKILLS?

Fundamental movement skills are the building blocks for movement. They are the skills which children need to participate successfully in all types of games, physical activities and sports. Examples of these skills can be frequently seen in popular games and activities played by children in the school playground.

These twelve skills represent a solid foundation for the development of specialised skills, enabling children to participate in a wide range of physical activities. They are:

1. Static balance
2. Sprint run
3. Vertical jump
4. Catch
5. Hop
6. Side gallop
7. Skip
8. Overarm throw
9. Leap
10. Kick
11. Two-hand strike
12. Dodge
