Our Heroes and Villains concert begins this week. We will be having our dress rehearsal on Tuesday with the first matinee performance and the evening performance on Thursday.

ENROLMENT in 2020

This term the Department of Education released an updated Enrolment Policy. This policy is accessible from the Department of Education's website. A significant change to this policy is the enrolment of siblings. An information sheet outlining the main changes has been attached to this edition of the Snippets. You can also find the enrolment policy at:

<https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools>

Please make a time to talk with me about the policy if you have any questions.

We will shortly begin our planning for 2020. If you know that there will be a change in your circumstances next year and that your child/ren won't be attending our school, we would appreciate it if you could let us know. Alternately if you are aware of someone moving into our zone who is intending to enrol, we'd love to hear from them. This helps us to start making key decisions.

KINDERGARTEN 2020

Our formal Kindergarten Orientation Program began last week. We are looking forward to seeing all of the students who will be joining us in 2020 again tomorrow. Orientation begins at 2pm. Please bring your children up to the Kindergarten classrooms and then meet the other parents in the library.

KINDERGARTEN EXCURSION

Kindergarten went on their excursion to Oakvale Farm on Friday. The children were a credit to the school and had a wonderful time.

BASKETBALL GALA DAY

There were two teams representing Shoal Bay, with some great sportsmanship and nail biting games. Both teams had lots of wins, however, one team made it to the Grand Final and went down at the end by 3 points to Tanilba Bay.

NUF NUF and MEAL DEAL DAY

This Friday we are having our Term 3 NUF NUF and meal deal day. Notes have come home for these two events. Please make sure you have read them carefully.

TELL THEM FROM ME

Each year our school participates in the Tell Them From Me survey. We ask students, families and staff members to answer a series of questions about our school. This information is then used to guide our decisions and strategies for the following year. We use the information to evaluate what we are doing as a school. Please take a few minutes to complete this survey for us. Last year we only had a **very** small number of parents who completed the survey.

The Gate

I am running through the deep dark jungle searching for the lost temple of the hidden treasure. I scan around the jungle, but there is no sign of any temple. There is not even any animals here. I think I spoke too soon! A noise as loud as a ship horn surrounds me and out of the bush comes a gigantic lion! I scream and start to sprint into the bush. I turn around and the lion has disappeared. That was strange, I whisper to myself. Then out of nowhere, the lion comes out of the bush and tackles me to the hard, rocky ground. Its big pointy claws try digging into my thick skin. I close my eyes thinking this is it. Then I feel the lion getting off me. I look at the lion, and it's dead.

What! How! I look over and there's a chicken in front of me. It says 'hello, my name is Fred'. 'How can you speak?' I say to him. 'I don't know why, I just can,' he says to me. I ask, 'did you kill than lion?' 'Yes. I did. I used my laser eyes'. 'What? You're a chicken that can talk, and have laser eyes?' 'Yes, and why are you here?' said the chicken in an angry voice. 'I'm looking for the ancient temple of the hidden treasure'. 'I know where that is,' says the chicken in a heroic voice. 'I'll show you where it is.' 'How much longer?' I ask. 'About 1 minute and 2 seconds' he replies. 'Wow, that's very specific.' 'Yes, it's because we are here,' says the chicken.

Right in front of me is a gold shiny gate with 10 big pointy spikes shooting up into the sky. The gate is rather odd because it has lots of weird words and rituals on it. I open the golden gate and walk into the ancient temple. Everything is pitch black. I turn around and the chicken has disappeared. Maybe he got lost, I whisper to myself. I look out into the darkness and I see a glowing light. I walk to the glowing light and it is coming from a big red ruby. It's on top of a rock. I climb to the top of the rock and reach for the ruby.

Ahhhhhhh! I scream. The ruby is boiling hot. I fall off the rock and the whole temple starts to collapse. There's a small little tunnel next to me. Then mummies start to come out of the temple. I dodge through all of the scary mummies and head for the exit. I run outside and open the gate and lock it. I turn around and run back into the forest, never going to return ever again!
